**SUBJECT: SALESIAN MISSIONARY DAY CELEBRATION**

Dear Brothers and Sisters in the Lord,

Greetings of Love, Peace and Joy!

Each year we are celebrating the Salesian Missionary Week or Days in the month of February, which is normally crowned by the Solemnity of our Salesian Protomartyrs and Saints Luis Versiglia and Callistus Caravario.

Last February we did not have the common celebrations, due to Covid19 pandemic restrictions, instead we encouraged all our schools, youth centers, Mass centers, parishes, communities and related institutions to organize the Salesian Missionary Day at the community or institutional level according to our respective situation and possibilities.

For our schools, centers, parishes, communities and other entities, which have NOT celebrated yet the Salesian Missionary Day this year 2021, **with the Province Mission Animation Commission, I encourage all of you to have this Salesian Missionary Day Celebration in your respective organizations these coming days or in summer 2021.**

Kindly maximize the resources we have sent to your respective organizations and resources available online, on our Province Website with the link below:

<http://www.sdb.org.hk/missions/>

These resources include: poster, magazine, leaflet, prayer card, lesson plan, Cagliari11 Newsletter, and Missionary Intentions of Salesians and of Pope Francis.

Let us be reminded that our Church is a missionary church and the Salesian Family is a missionary family.

*Saint Joseph Cafasso, pray for us! Saints Luis Versiglia and Callistus Caravario, pray for us!*

Yours in Christ,

*RJMendozasdb*
