Spread Away

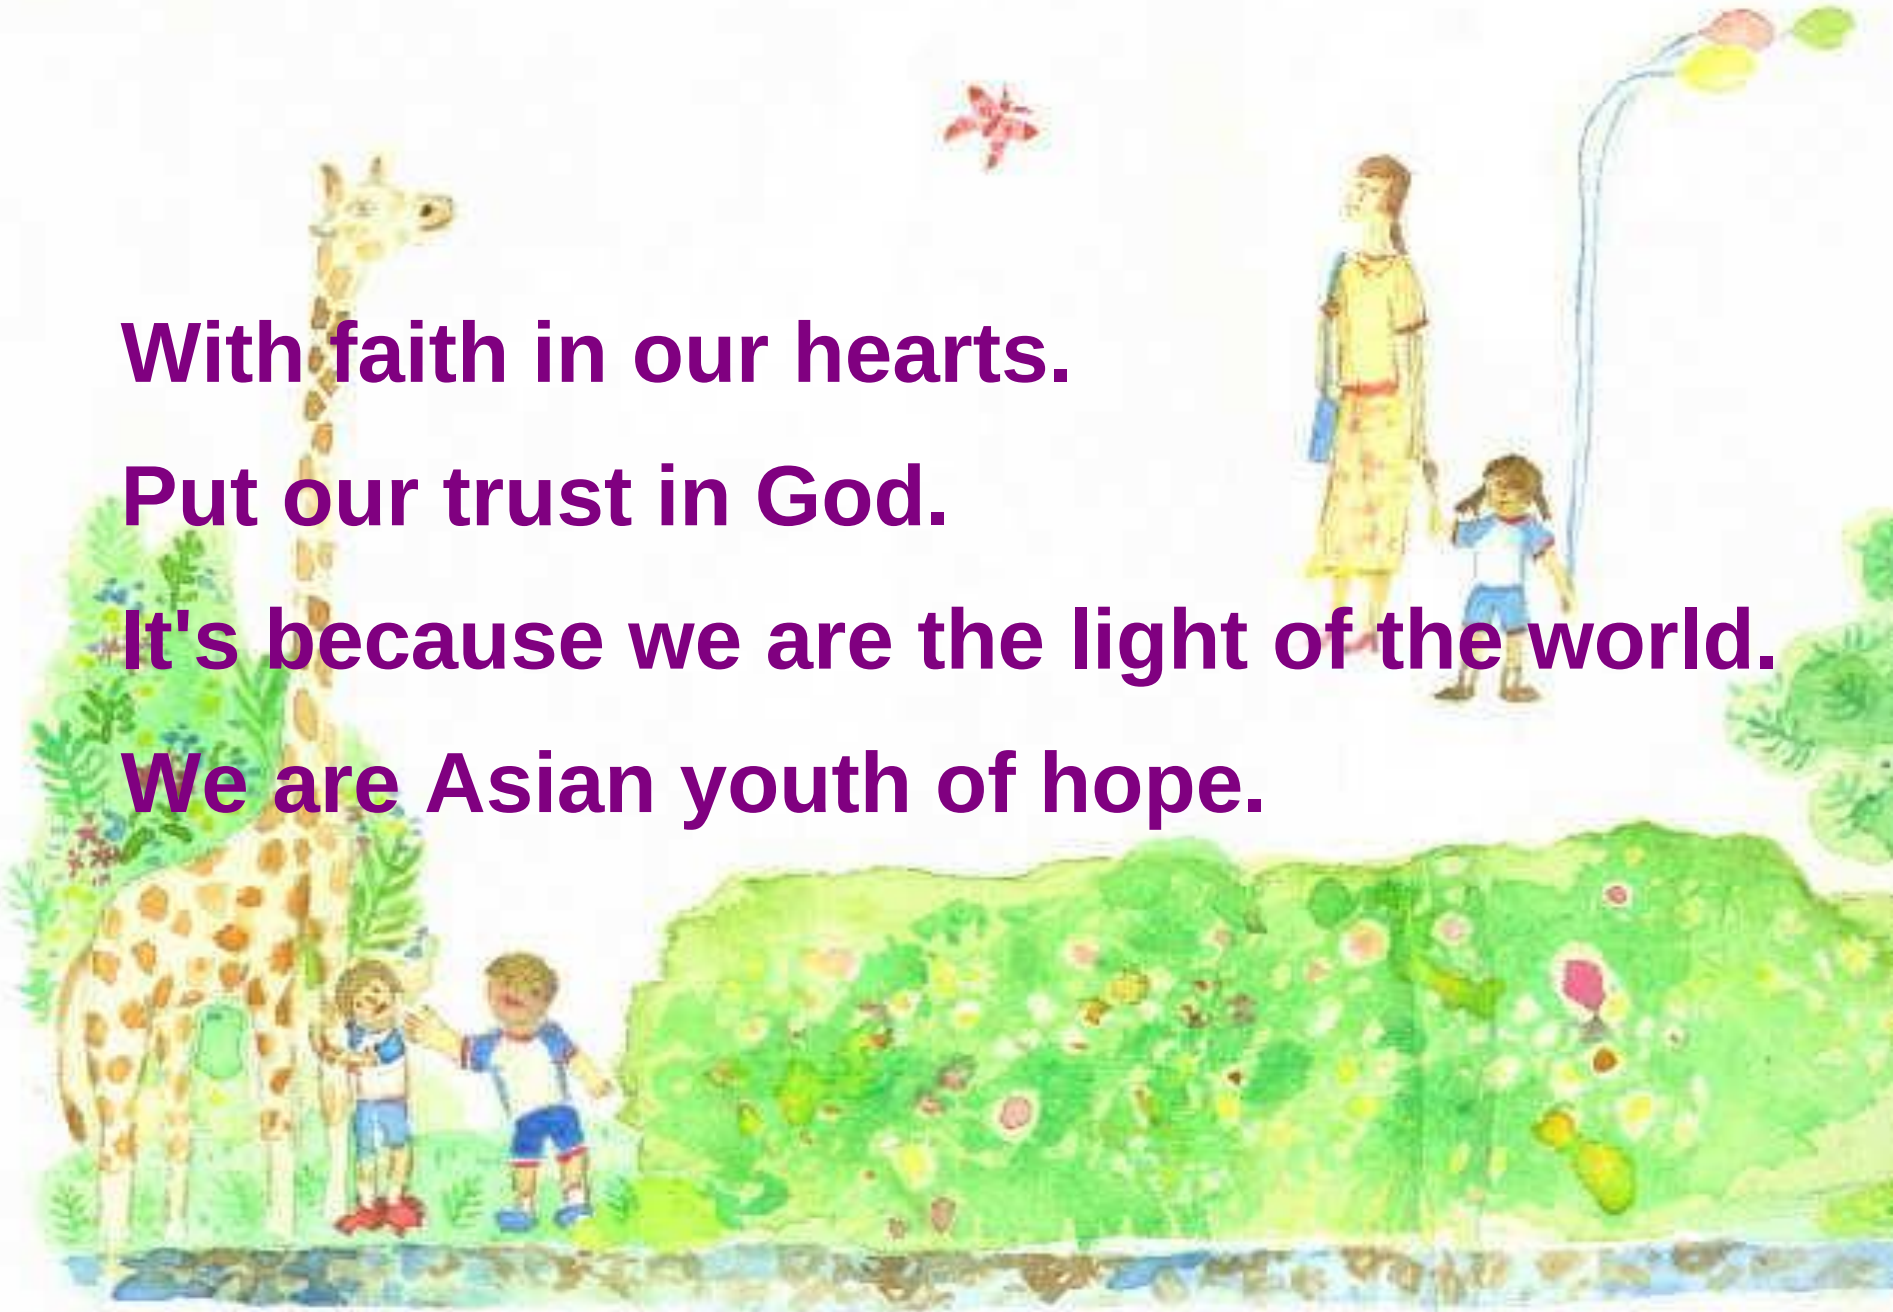

With faith in our hearts.

Put our trust in God.

It's because we are the light of the world.

We are Asian youth of hope.

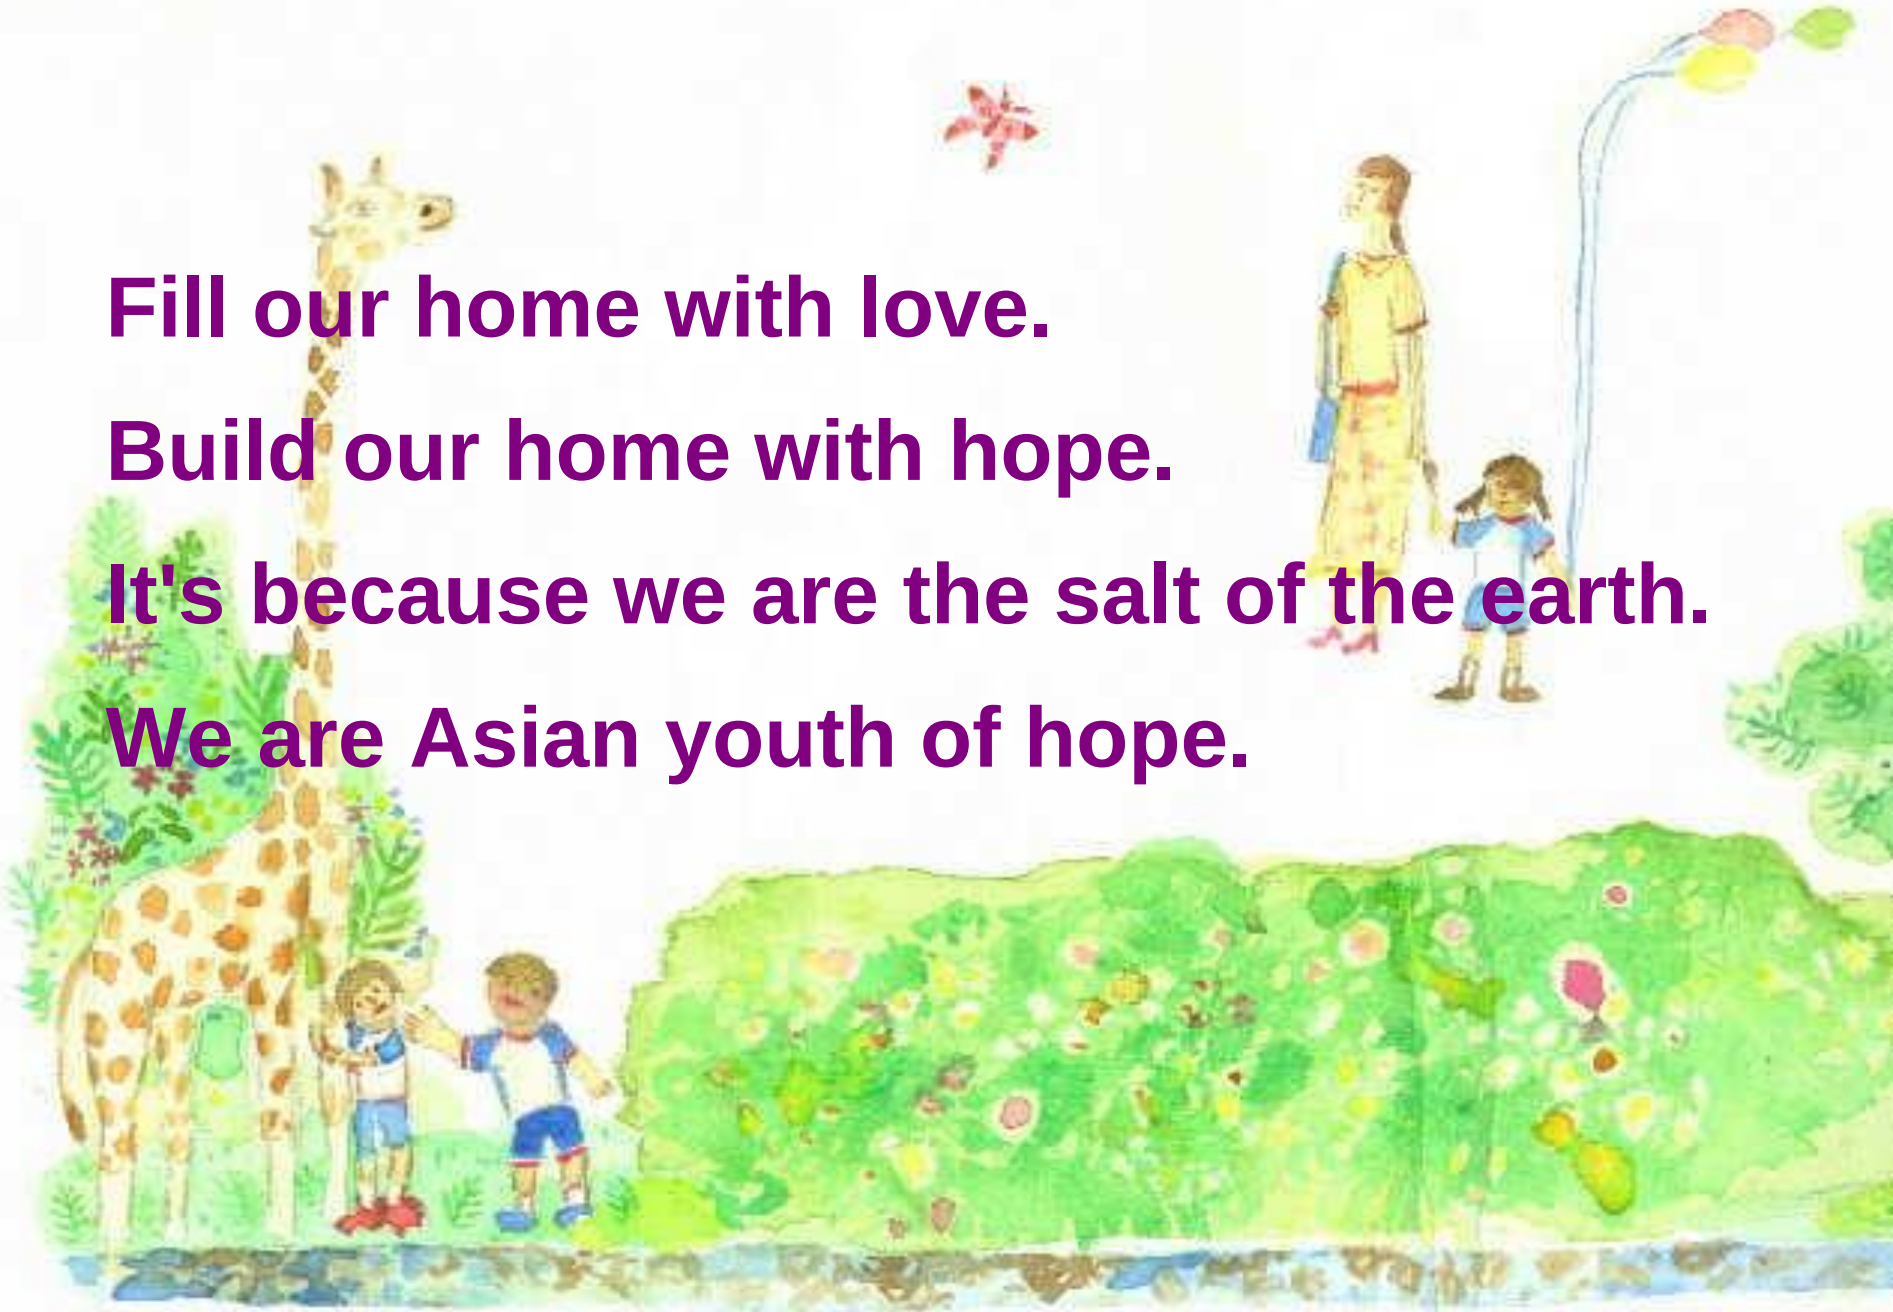

Fill our home with love.

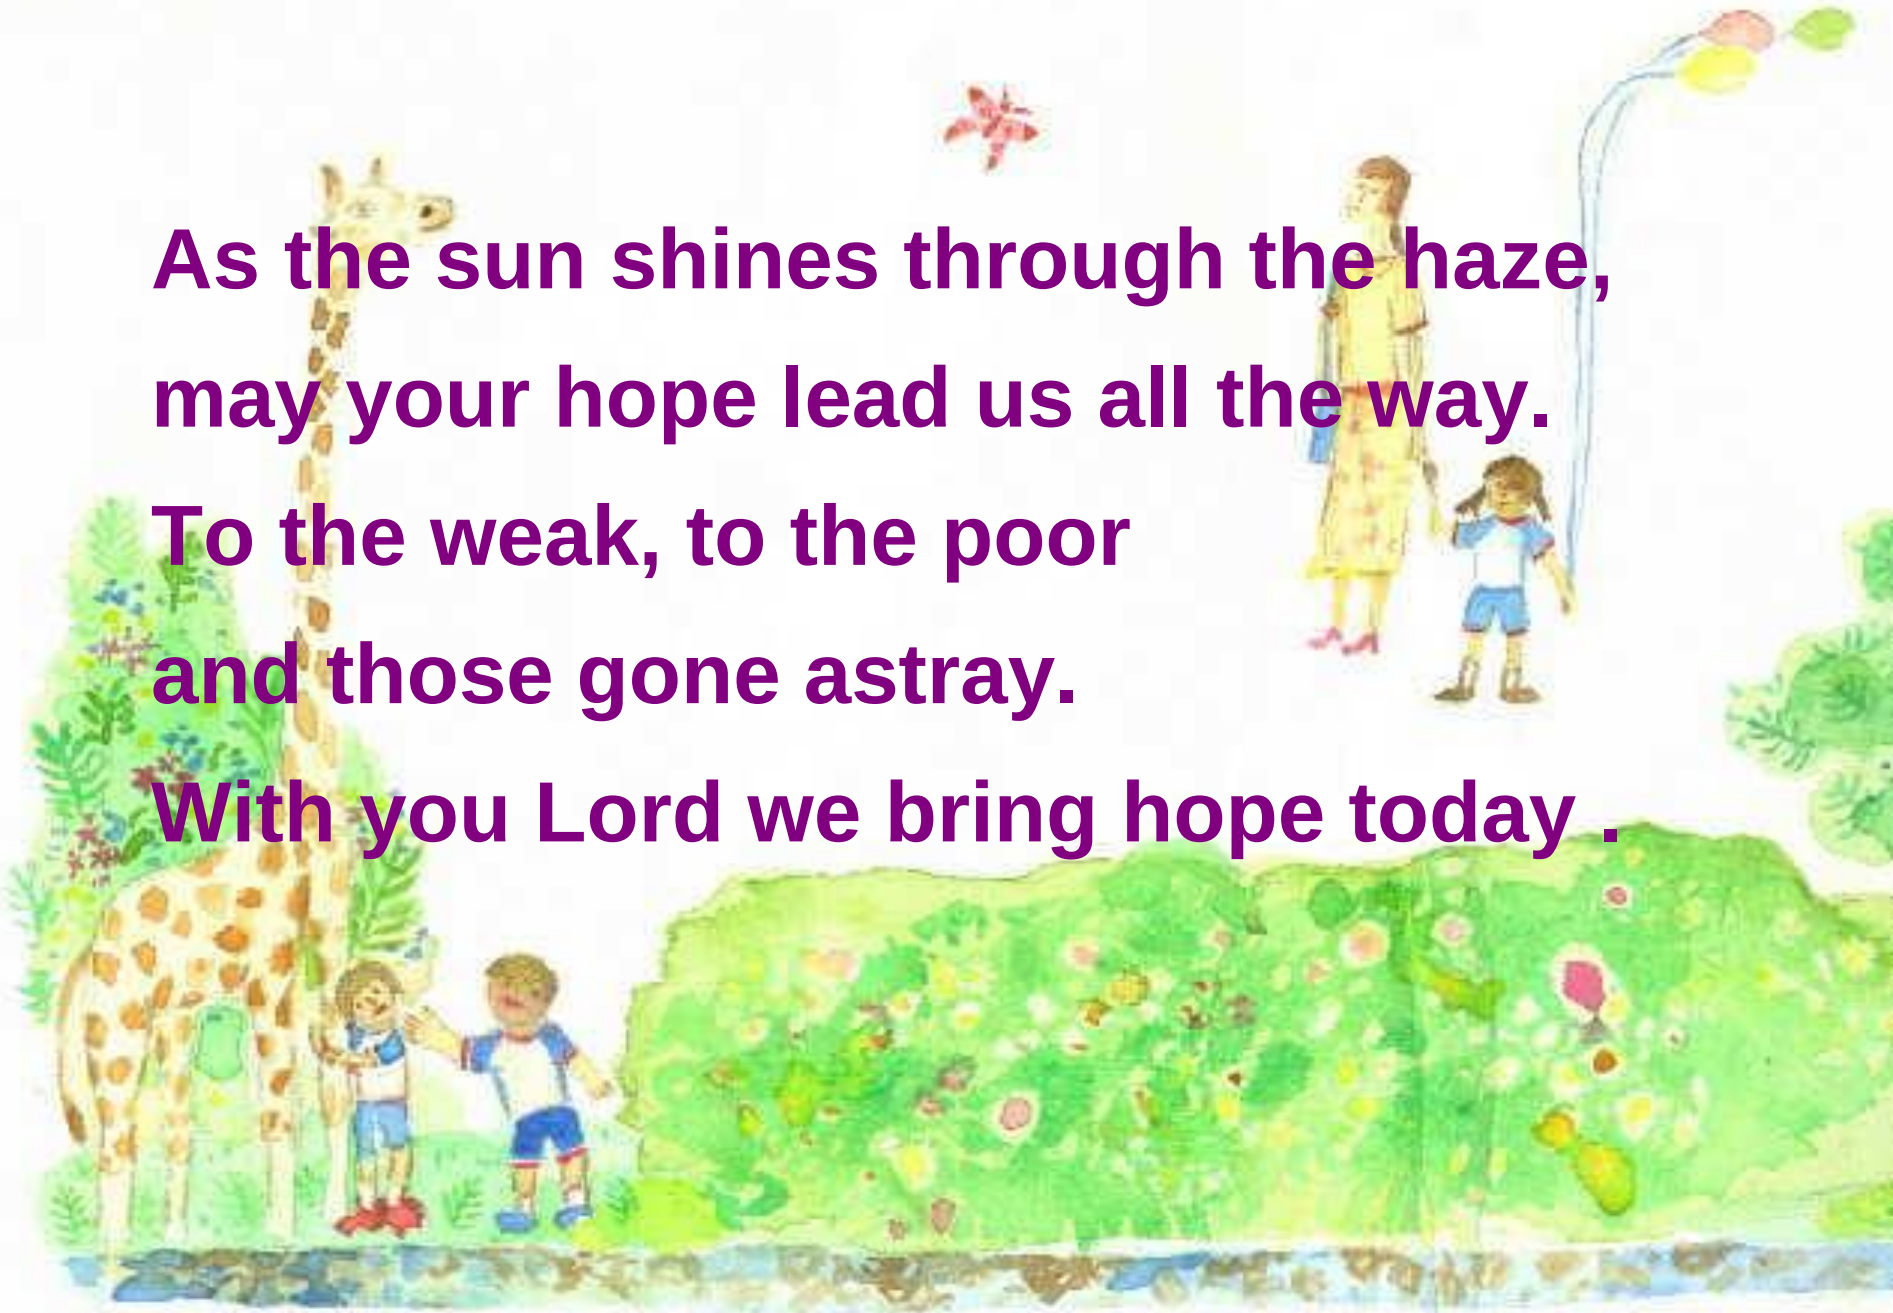

Build our home with hope.

It's because we are the salt of the earth.

We are Asian youth of hope.

As the sun shines through the haze,
may your hope lead us all the way.
To the weak, to the poor
and those gone astray.
With you Lord we bring hope today .

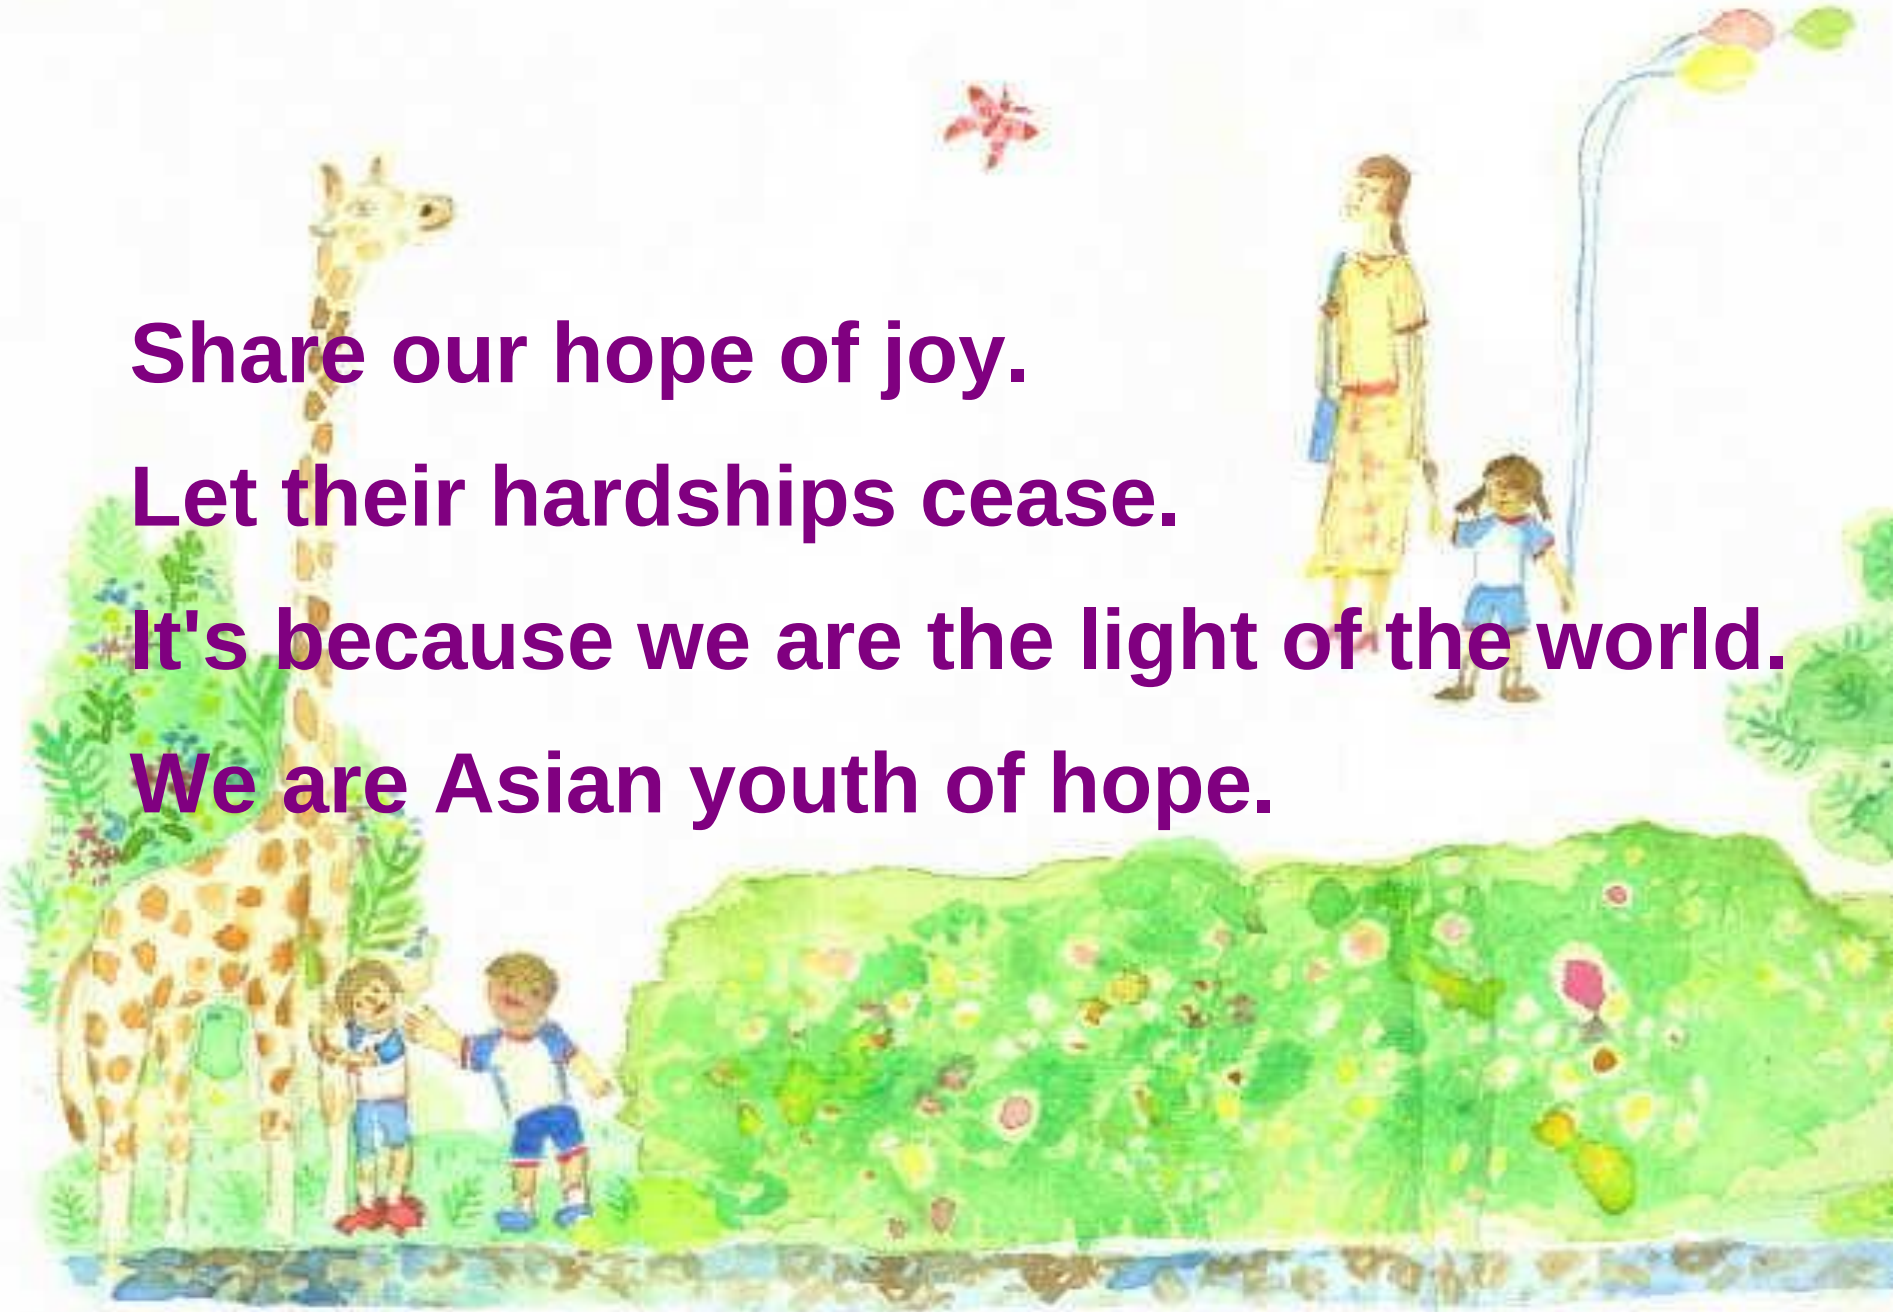

Share our hope of joy.

Let their hardships cease.

It's because we are the light of the world.

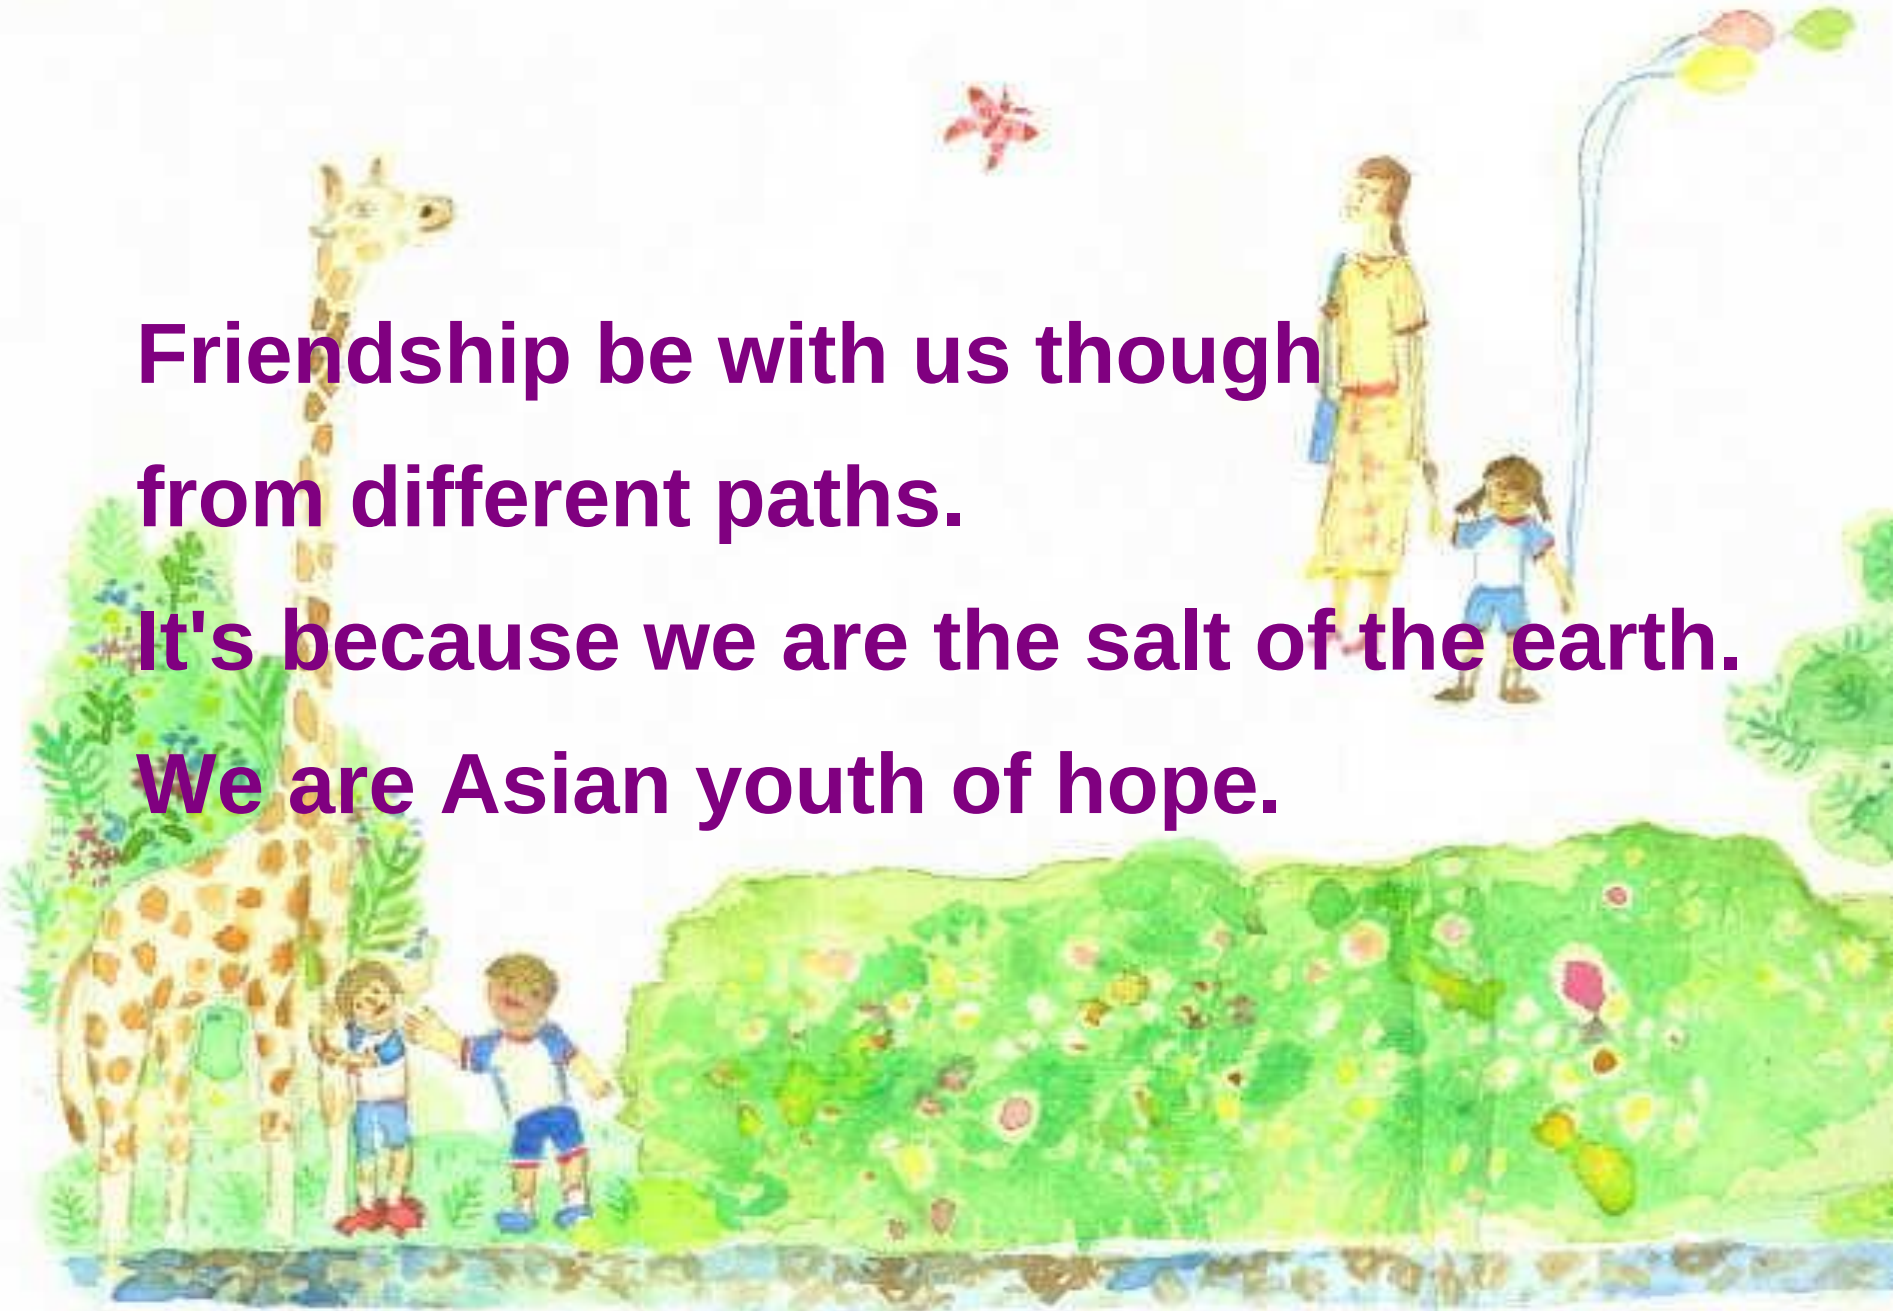

We are Asian youth of hope.

**Friendship be with us though
from different paths.**

It's because we are the salt of the earth.

We are Asian youth of hope.

**As the sun shines through the haze,
may your hope lead us all the way
To the weak, to the poor
and those gone astray.
With you Lord we bring hope today.**

**As the sun shines through the haze,

To the weak, to the poor
and those gone astray.
